

## **Beach Club, a truly exclusive restaurant and lounge bar located on a private beach in La Manga del Mar Menor**

**The last word in luxury; a private, secluded beach, boasting a gourmet restaurant, jacuzzi and solarium, complete with a lounge bar and attentive service that extends to the beach and swimming pool areas.**

**Located in the privileged Veneciola area, this most private of beaches occupies an unrivalled 4,600m<sup>2</sup> setting. Nestling between the Mediterranean coast and the pass that connects it to the Mar Menor, the beach is easily accessible by either road or sea.**

Since the start of summer 2008, La Manga del Mar Menor has been host to the exclusive Beach Club. Its excellent services will delight the most demanding of customers, making it an ideal place to enjoy the tranquillity, the sea, the gourmet cuisine and of course the very highest standards of service.

The cuisine is without a doubt one of the Beach Club's main attractions. The restaurant offers wide variety of fresh fish and paella dishes all on display in the showpiece kitchen. Specialities include a range of fresh seafood and meats, while sample dishes include salmon with prawns, cherry tomatoes, mushrooms and slices of lemon; or sirloin steak with bacon, gherkins, pepper and onion. These dishes are complemented by a wide selection of wines, that combines renowned vintages with little-known jewels from small Spanish wine cellars.

The lounge bar offers a simple, yet delightful selection of salads, kebabs, hamburgers, hotdogs, sandwiches and baguettes. The food is complemented by a variety of desserts, coffees, herbal teas, fruit juices, cocktails and ice-creams. Its attentive service extends to the beach and swimming pool areas, allowing clients to enjoy their refreshments surrounded by all the tranquillity and comfort that only the Beach Club can provide.

The Beach Club also offers an extensive cocktail and liqueur menu. All this in a unique setting on a private estate, with a manicured air of exclusivity and magnificent views of both seas.

The Beach Club is open to the public from 10.30 a.m. to 1 a.m. and reservations can be made by calling (+34) 968 14 73 50.
